Re: NFCU River City Marketplace

Prebid RFI #007

-
1. Reference Drawing AE101 Floor Plan. Reference the queuing line and post. I do not see any information on those. Are they just a free standing post or do they require a floor slab socket? Are they Owner furnished or Contractor furnished?

The queuing line and post are Owner Furnished Owner Installed. Please refer to General Note 5 on sheet AE101. Scott McPeck 7/26/10
