<b>RFI:</b>	Attached please find our Questions to Architect #1. Thank you.
<b>Answer:</b>	1. Reference the National Accounts Detail Sheet, reference the carpeting "GC to provide", which conflicts with the National Accounts Supplier Contacts and Responsibilities Listed that indicate the carpeting is by the Owner. Please clarify. REPLY: CARPET SHALL BE FURNISHED BY OWNER, INSTALLED BY GENERAL CONTRACTOR 2. Reference exterior wall section, Sheet A11.1, Details 1A and 2. In lieu of the 12" split face block shown below the cast stone band – can a regular 8" CMU and a 4" split veneer block be substituted? With a short construction duration. Waiting on the split face block to construct the load bearing exterior walls is a concern. REPLY: PLEASE BID THE EXTERIOR WALLS PER PLAN AND SPECIFICATION (12" SPLIT FACE). NO SUBSTITUTIONS WILL BE ACCEPTED AT THIS TIME.
