

SIZE: 8,000 SQ FT

COMPLETION DATE: 2019

ARCHITECT: REYNOLDS SMITH & HILLS

DESCRIPTION

Auld & White was retained by the Johnson Family YMCA to complete an expansion for the new teen center and renovation to the existing wellness center. The new center includes a STEAM (science, technology, engineering, art and math) lab, gaming room, lounge, teaching kitchen, recording studio, large multi-use space, new swimming pool and splash pad. Auld & White self-performed the concrete, carpentry, and the demolition which included removing the existing pool.
