

SIZE: 83,000 SQ FT

COMPLETION DATE: APRIL 2011

ARCHITECT: HARVARD JOLLY

DESCRIPTION

Auld & White was retained by Duval County Public Schools to complete a major renovation of the Darnell-Cookman Middle/High School, School of Medical Arts. Work included the complete renovation of several buildings at the existing campus, installation and construction of portable classrooms, and installation of a new parking lot & retention pond. A majority of this logistically complex project was completed while the school remained operational.
