

SIZE: 8,200 SQ FT

COMPLETION DATE: DECEMBER 2019

ARCHITECT: GRESHAM SMITH & PARTNERS

DESCRIPTION

Auld & White was retained by Baptist Health to complete the addition of the Wolfson Children's Emergency Care facility at its South Campus. The new building includes its own main entrance and parking, check-in and triage area, family restrooms and a 12-room unit dedicated entirely to children and families. Construction was completed while the hospital remained operational.
